Wawa, ON P0S 1K0**

Dear Chief Joe:

It is a pleasure to thank you for helping to make the residents of Kashechewan First Nation feel welcome in our community and hosting our guests in your community for an evening of Bingo. The residents from Kashechewan enjoyed the event and expressed their sincere gratitude for the fun-filled evening with your residents.

Once again we have been praised by the Ontario Fire Marshal and Emergency Management for our dedication to our First Nation friends. Officials were impressed by how quickly and efficiently our Emergency Plan kicked into gear and our Community Control Group remained on top of matters.

The volunteers were our front line. Your efforts ensured that the evacuees benefitted from all the work going on in the background. The smiles and personal involvement is what our friends will remember.

Many of our new friends made a point to express their sincere appreciation for our efforts and assistance during their stay in our community. It is our pleasure to say that we have met and exceeded their expectations.

Because of all your efforts, Wawa is recognized as a caring and generous community. We are proud to be part of our community.

Yours truly,

**Cathy Cyr
