PUBLIC WORKS MEMO

June 13, 2016

To: Michipicoten First Nation Community Members
From: Chris Buckell, Public Works Administrator
Subject: **Annual Calcium Chloride Dust Control Application**

Michipicoten First Nation has contracted the services of Pollard Highway Products to deliver and apply Calcium Chloride to our community road on Tuesday, June 14th.

The application is to reduce the dust and firm up the road, this will make our roads safer to drive on for the summer.

The truck will start at 6:00 am and the process should only take about 2 - 3 hours.

Please be aware if you are travelling during these hours.

If you continue to have a problem or have questions, please contact the Public Works Administration Office at (705) 856-1993 ext. 217, Monday to Friday between 8:30 am to 4:00 pm.
